

2 EVENTS ON 1 DAY

West Midlands Pay Consultation Roadshow and WME's Big Conversation

for West Midlands Council Leaders, People Portfolio Holders, Chief Executives, and Heads of Service for HR and Finance

2019 Pay Consultation Roadshow

(10am to 12.30pm)

The National Employers Pay Consultation Roadshow for the West Midlands will take place at 10am on Tuesday 17th September at the BCEC, Hill Street, Birmingham

This is an opportunity for Council Leaders, Cabinet Portfolio Holders and senior council officers to influence the approach taken by the National Employers in relation to forthcoming pay negotiations. It is important that your decision makers join us to hear from the National Employers team on the recent pay round and the Unions' claim for 2020 - and to ensure your voice is heard!

The morning session will start at **10.00am** with the first 30 minutes being a closed space for our councils to hold a brief debate on any key points of concern or principle before we are joined by national colleagues. The open session with the National Employers will start at 10.30am and be followed by lunch at 12.30pm and an opportunity to network with colleagues.

Book your place

You are invited to attend either session or both; we just ask that you complete our online booking form.

WME's Big Conversation

(1pm to 3pm)

WME's Chief Executive, Rebecca Davis and Board Chair, Cllr Ken Meeson invite you to stay with us after lunch to participate in our 'Big Conversation' on the future services

and support that you, our shareholder local authorities, would like to receive from WME in 2020 and beyond.

WME is owned by its subscribing authorities and we operate as an extension of your own teams, providing vital support and services, as and when you need us; as well as fulfilling the role of your Regional Employers' Organisation.

WME is eager to build a new 2020 Strategic Plan that keeps us at the heart of our local government family; providing best value and excellence in service provision for our sector; working with you and for you to ensure a strong public sector workforce.

Your views and input are vital to help us prioritise services, focus our growth ambitions in the right direction, and to enable us to improve our engagement with you and representation for you, both regionally and nationally. We look forward to building our future with you.

WME Surgery

from 3pm you can book a 121 with any member of our team to address a specific issue or need.
